**MINUTES OF THE  
NOTTINGHAM TOWN MEETING**

**Nottingham, New Hampshire — 1966**

ARTICLE 1. To choose all necessary Town Officers for the year ensuing:

Selectman .....	Fred Fernald
Town Clerk .....	Florence Arthur
Town Treasurer .....	Edna B. Glover
Tax Collector .....	Donald Perkins
Library Trustee .....	Dorothy Garvin
Trustee of Trust Funds .....	Thomas Fernald
Auditors .....	J. Leo Ash, Chester Batchelder
Road Agent .....	Eben H. Smith

(See metal file under 1966 March election for tally sheet and specimen b ballot)

ARTICLE 2. To raise such sums of money as may be necessary to defray town charges, and make appropriations of the same. Total \$37,105 (see details p. 437 & 438). Passed in affirmative.

ARTICLE 3. To see if the town will raise and contribute the sum of \$960.23, the State to contribute \$6,401.54 for Town Road Aid. Passed affirmative.

ARTICLE 4. To see if the town will appropriate the sum of \$200.00 for the control of white pine blisterrust (in 1966). Accepted as read.

ARTICLE 5. To see if the town will raise and appropriate the sum of \$500.00 for new equipment for fire department. Passed in affirmative.

ARTICLE 6. To see if the town will raise and appropriate the sum of \$1,500 to tar and sealcoat roads. Passed in affirmative.

ARTICLE 7. To see if town will vote to build a new firehouse on the old school house lot adjacent to Town Hall at a cost not to exceed \$11,000.00. To raise and appropriate \$2,000.00 this year and issue three serial notes at the best interest obtainable, one for \$3,000.00, payable one year from date of issue, one for \$3,000.00, payable two years from date of issue, one for \$3,000.00, payable three years from date of issue, and to authorize the Selectmen to issue and sign said notes. Donald Perkins moved acceptance as read, vote to be by secret ballot. Mr. Edward Foss objected to Article 7, as read. Secret ballot rejected article as read. 40 yes 50 no Motion was made that Article 7 be put in hands of a committee comprised of one selectman, the fire chief, one member of the Planning Board and a citizen not a member of any aforementioned boards, said committee to report at next Town Meeting, with a definite plan to be submitted thereto, and that the sum of \$2,000.00 be raised and appropriated and placed in a trust fund. Fire chief would be chairman of said committee. This latter motion was passed in the affirmative by secret ballot.

ARTICLE 8. To see if town will raise and appropriate the sum of \$31.15 (5 cents per capita on 623 inhabitants) to contribute to the Rockingham County Community Action Program. It was moved that Article 8 be accepted and that the Selectmen use the Town Poor money for the purpose. Passed in affirmative.

ARTICLE 9. To see if town will authorize Selectmen to borrow in anticipation of taxes. Motion made to accept as read. Passed in affirmative.

ARTICLE 10. To transact any other business that may legally come before the meeting. It was moved and seconded that the Selectmen be directed to appoint someone to have charge of surplus commodities; the appointed person to be one who does not hold a town office. Article passed in affirmative. Selectmen appointed Philip Fernald, author of

motion. Richard McGowen moved Article 2 be resumed. Passed in affirmative. Then it was moved and seconded that the appropriation in Article 2 for the police budget be increased by \$700.00, to restore the amount of cut made by the budget committee. Result of vote was challenged. Moderator declared a vote to be made by secret ballot. Motion was passed in the affirmative. (52-39) Still under Resumption of Article 2)

It was moved that \$50.00 be added to the appropriation of \$100.00 for the Planning Board. Passed in affirmative. Returned to Article 10.

It was moved that the time of Town Meetings be changed to the Friday evening following the usual Tuesday (March) Town Meeting. Stipulation made that legal date of Tuesday must be kept by opening Town Meeting Tuesday, then postponing business to Friday evening. Passed in the affirmative.

Motion was made that House Joint Resolution 27, introduced by James Kelsey of Nottingham to the State Legislature or a suitable substitute for HJR27 be sponsored by our representative in the next Legislature. Passed affirmative.

It was moved to close the polls of current Town Meeting at 6:30 P.M. March 8. Passed in the affirmative. Further details on Article 2.

It was moved to cut Police Department budget appropriation from \$2,500.00 to \$1,800.00. Passed in affirmative. See later action p. 437.

Motion made that total of town officers salaries be \$2,155.00. Passed in affirmative.

Motion made that book keepers salary be raised from \$150.00 to \$250.00. Passed in affirmative.

## **FIRE CHIEF'S REPORT**

The Town of Nottingham Fire Department had another good year as to the number of fire calls. This must be from the good home fire protection programs. Let's hope this continues, as cooperation like this helps to lower the cost of fire protection.

We did have three building fires that were a total loss. But received the calls too late in the progress of the fire unfortunately.

Again we remind you that you should always obtain permits to burn from a fire warden, telephone number 679-8802.

This year the fire department bought 2 portable radios to be used by fire wardens. Also bought 1 1/2 inch hose, 2 1/2 inch hose and three fogg nozzles, plus hand tools for forest fires.

We had another successful Fourth of July Celebration and wish to thank all those who donated both prizes and time toward it.

As fire chief, I wish to ask you again to vote for the new fire house, which would be really appreciated by all members who attend the fire department.

Regular meetings are held at the fire house on the first Tuesday of the month — visitors always welcome.

Respectfully submitted,

LAROY BATCHELDER

Fire Chief

## **REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF**

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when

the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — instruct your children that matches are not play things.

## REPORT OF THE PLANNING BOARD

Mr. Harold Mace who has been chairman of the Planning Board resigned during the summer of 1966 and Mr. Melvin White became the new member.

Under the chairmanship of Harold Mace, monthly meetings were held from September to May 1966. Much thought was given to ways of improving Nottingham. The Board prepared an up-to-date version of the Building Code and of the Zoning Board Ordinance and distributed these throughout the town. The matter of fire protection at the town dump was considered. The Board recommends that the town immediately provide a water hole there. One member of the Planning Board served on the Educational Planning Committee which attempt to project the school needs for the next few years.

Mr. Hogdon replaced Harold Mace as chairman in the fall of 1966. Meetings have been held monthly since November. The principal business has been to find names for the many roads in Nottingham and to initiate action to have attractive signs put up at each named road.

## REPORT OF CIVIL DEFENSE DIRECTOR

The year of 1966 was exceptional in that our town has made progress in Phase One of the Educational Program as affects our Civil Defense efforts. The first of Medical Self Help Courses was held and a qualifying class of 18 out of 25 were graduated. The remainder were unfortunately unable to attend all the classes and were not eligible for certificates. There will be more classes scheduled for 1967. Notices will be posted.

The Nottingham Women's Club has taken advantage of the State Civil Defense Women's Lecture program and arrangements were accomplished through this office and Teresa Bachelor, representing the club. An interesting program to all women was presented.

The town also qualified for its first set of radiological instruments. This will enable our town to hold small classes as to how these instruments are used. We invite the women folk to take advantage of these classes.

The Civil Defense Management Course will be available to leading citizens, both men and women, elected officials, and appointed officials. We intend to invite officials from Northwood and Deerfield to participate in this course.

For the first time, the town received 50 % return from the State, for monies expended on Civil Defense work from our small budget.

Communications remains a much needed necessity for our town. We have a forest wardens wave length available that alerts the fire fighting efforts. The Police Department has a State Police hook-up, available to police only. We need a Civil Defense hook-up that will give us a method of tying in so if we want to alert the police that a fire is going on, and the phones are out it can be done.

A warning system is much needed and the geographical

aspects require a two siren system — one at the center in the church belfry and one at Freeman's Hall.

The State and Federal Laws require that an operating center be built on property belonging to the town. Since the Fire Department requires a new home, it would be fine if such a center could be combined below the new fire house. It would be large enough for an emergency Civil Defense Force including elected officials to communicate through State and local channels. The warning system would be controlled here.

This center would be built in an approved design and be radiologically protected, would contain medical control features, decontamination apparatus, communication control. An emergency generator would be installed for town use.

The expenses for this part of the new fire house and equipment would be reimbursed 50 % to the town through the State and Federal Civil Defense Act and would benefit the town immeasurably. The center can be used by citizens for other social purposes when not being used for Civil Defense work.

This can be the beginning of a Civil Defense system protecting our town. Only you, the citizens, can approve and allow your Civil Defense effort to bear fruit.

## ROAD AGENT'S REPORT

The year 1966 was an expensive year for snow removal in January and February because of huge amounts of snow and much drifting.

During Mr. Smith's tenure as Road Agent, the road by Arthur McDaniels's, Merry Hill Road, and the McKinstry Bridge were tarred. The removal of the ridge on Cooper's Hill (which has been a menace for many years) and the widening of the road to North River Pond were also accomplishments of Mr. Smith.

The deterioration of our tarred roads is a matter of vital concern. The sum of \$1,500.00 has been raised yearly to seal-coat the roads but because of the increase in tarred mileage each year, we have not had sufficient funds to do the job properly. Our policy has been to do those roads which need it most but we have now reached the point where we recommend an increase of \$1,500.00 to enable us to repair and seal-coat more roads. If the additional funds are not raised then the road will continue to break up and the expense of eventually replacing them will certainly be excessively higher than the cost of maintaining them at this time.

The start of 1967 has left us with small amounts of snow but plenty of ice. I would like to compliment the Selectmen on the wise decision to purchase the sander last fall. It does an excellent job in less time and will save the taxpayer's money.

Respectfully submitted,

PHILIP C. FERNALD,

Road Agent - Pro Tem

## **REPORT OF THE CHIEF OF POLICE**

The following report of activities is hereby submitted by the Nottingham Chief of Police for the year ending December 31, 1966.

I would like to take this opportunity to thank officers Ronald Batchelder and Gary McGowen for the faithful and loyal service they have given this department and the town throughout the past year.

In the past several months I have made the statement that I was retiring from the office of Chief of Police. Because of other activities which I am obligated, I felt I could not devote the time to the Police Department as I have in the past years.

However, in talking with State and local officials and my fellow police officers, they feel my experience is essential to the town and the department. With the other officers to do nightly patrols and handle minor complaints, I would be relieved of some of the duties and thereby could continue as head of this department.

The State Police has changed their radio frequency and they have informed us that they are phasing out their radio band. This action will make our radios obsolete.

At this time I would like to ask for your support to raise \$1,200.00 for a new communication network. This would enable us to have car to car, as well as base communications. We could perform our duties more efficient and it would also provide some protection for the Officers.

In the year 1966 we answered approximately 267 complaints.

Seventeen accidents and twenty-five breaks were investigated.

We located five missing persons and delivered seven death notices and messages.

We attended Court on several occasions and worked with the Welfare and Probation Department on various cases.

A total of 1,226½ actual man hours were utilized in providing police coverage to the town this year and a total of 10,104 miles were traveled throughout the town in the performance of police duties.

On several occasions we have rendered assistance to State Police and other local police departments.

The Police Department has been and is ready to assist at all times.

IN CASE OF AN EMERGENCY,

## ANNUAL REPORT OF LIBRARY TRUSTEES

During the year 1966, the Nottingham Public Library added 84 adult fiction and non-fiction books and 61 books for juveniles for a total of 145 new books. Circulation of books for students in school totaled 7,781 and circulation for others 1,667. The Library is open for school children one morning each week. Again this year, the State Library gave us about \$100.00 worth of reference books.

One of our nice gifts this year was a copy of the **History of Nottingham, Northwood and Deerfield** by Elliott Cogswell. This was the gift of Fred Gove. It was his written request that this book not be taken from the Library. It has been rebound and will be of great value to anyone interested in the history of this area.

The Nottingham Town Library has many books that might interest you. We hope you will visit us.

To the Inhabitants of the School district in the town of Nottingham qualified to vote in district affairs:

You are hereby notified to meet at the School Auditorium in said district on the 10th day of March 1967, at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

3. To choose agents and committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

5. To see what sum the district will vote to raise and appropriate for the construction of an addition to the Nottingham School and whether the district will vote to authorize the issue of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated; and to authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued including their sale, the time and place of payment of the principal and in accordance with the municipal bonds statute, N. H. Revised Laws, Chapter 72 and any amendments relating thereto.

6. To see if the district will vote to accept the pro-

visions of Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

7. To transact any other business that may legally come before this meeting.

Given under our hands at said Nottingham this 17th day of February 1967.

**REPORT OF THE  
SCHOOL DISTRICT MEETING  
March 4, 1966**

The Annual Meeting of the Nottingham School District was held in the Town Hall at 8:06 p.m., on the evening of March 4, 1966. Moderator John Perkins read the warrant and discussion followed immediately.

ARTICLE I. To determine and appoint the salaries of the School Board and truant officer and fix the compensation of any other officers or agent of the District.

George Pritchard moved, seconded by Brad Batchelder, Sr., that salaries be as follows:

School Board Chairman .....	\$125.00
Two other members at \$75.00 each .....	150.00
Treasurer .....	50.00
Auditor .....	10.00
Clerk .....	5.00
Moderator .....	5.00
Bookkeeper .....	250.00
Census .....	40.00
	<hr/>
TOTAL	\$635.00

Voted in the affirmative.

ARTICLE II. To hear the reports of agents, auditors, committees or officers chosen and pass any vote relating thereto:

Brad Batchelder, Jr., gave a report for the committee on "Future Expansion of the Nottingham Elementary School". Estimates were as follows:

\$1,100.00 for building a room for the furnace.  
\$1,395.75 for windows for school, breezeway, library, etc.  
\$ 150.00 to \$175.00 to move furnace.

This report was accepted with thanks to the committee by motion of E. O. Foss and seconded by Leo Ash.

Brad Batchelder, Jr., reported that the Consolidated School Study of the Pawtuckaway Co-op School was voted to be discontinued at a special meeting. Richard McGowan moved and it was seconded by Donald Perkins that the same committee remain active.

Voted in the affirmative.

ARTICLE III. To choose agents and committees in relation to any subject embraced in this warrant.

Article III passed over.

ARTICLE IV. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents and for the payment of statutory obligations of the District.

Moderator John Perkins stated that each article in the school budget must be discussed, item by item, as requested last year.

Brad Batchelder, Jr., moved, seconded by Donald Perkins, that the Moderator ask for a "yes" or "no" vote on each line item.

The only changes made in the budget were as follows:

The capital outlay figure of \$990.00, was placed in the item of, "Maintenance of Plant".

The Maintenance of Plant was increased from \$1,100.00, \$4,785.75, by motion of Richard McGowen, seconded by Robert Twombly, Jr. An amendment made by Brad Batchelder, Jr., seconded by George Pritchard, to change the figure from \$4,785.75, to \$4,800.00, was voted in the affirmative.

Harold Mace moved, seconded by Richard McGowen, to accept the entire budget of \$97,298.18. On an amend-

ment by Leo Ash, seconded by George Pritchard, a budget of \$96,298.18, was voted in the affirmative.

ARTICLE V. To transact any other business that may legally come before said meeting.

Brad Batchelder, Jr., moved, seconded by Delmar McDermott, that the School Board be instructed to see if it would be feasible to heat both buildings with the furnace in the main building and if it is, that the cost be compared before the furnace is moved outside in a new room.

Voted in the affirmative.

Donald Perkins moved, seconded by Brad Batchelder, Jr., that the School Board be authorized to participate in the purchase of an audiometer machine.

Voted in the affirmative.

Philip Fernald moved, seconded by Richard Fernald, that the School Board be directed to look into the school heating problem, appoint Brad Batchelder, Jr., as chairman and the School Board to appoint any others to work with him.

Voted in the affirmative.

Moderator John Perkins adjourned the meeting at 9:50 p.m.

Classes resumed in September with several changes in the staff. Mrs. Mary Moulton replaced Mrs. Stella Cilley as the first grade teacher. Mrs. Joan Hanson replaced Mrs. Catherine Hodgdon in grades four and five, and Mr. Charles Karacas became principal succeeding Mr. Wayne Merchant.

These are changing times in educational circles, and signs point to growth and innovation in the immediate future. The AREA Concept and Co-operative School Districts will receive much attention in the wake of recent State Board of Education pronouncements concerning secondary school enrollments. There will be a continuance of Federal programs which will affect education in one form or another. We should be watchful and informed so that our decisions, concerning the education of boys and girls, will be based on facts rather than emotions and hearsay.

Throughout these days ahead we will appreciate, as in the past, your continued cooperation in the best interests of boys and girls.

Respectfully submitted,

RAMON MARTINEAU  
Superintendent of Schools

JOHN HOUGHTON, JR.  
Asst. Superintendent of Schools

## REPORT OF SCHOOL PRINCIPAL

To the Superintendent, Assistant Superintendent, School Board and citizens of Nottingham —

The following is a report of the administrative and instructional activities at the Nottingham Elementary School during this 1966 School Year.

Having just completed two years as principal of your school, I leave with a rewarding feeling of satisfaction and accomplishment in the areas of School Board relationship, parent cooperation and the completion of a long-range objective — A Complete Curriculum Revision —

These accomplishments were achieved with full cooperation, understanding and hard work on the part of the Superintendent of Schools, his Assistant, the School Board, the Budget Committee and teachers.

For your interest, this Curriculum Reviewer has included — upgrading of academic achievement, of the teaching staff, a reorganization of teachers' responsibilities to the children, a complete updating of **all** textbooks and instructional materials, more effective use of audio-visual aids, and new material for their effectiveness.

A strong Elementary Curriculum, as you well know, will ultimately lead to a meaningful education for each and every child enrolled in your School.

I am proud to have been a part of it.

My thanks to one and all.

Respectfully submitted,  
WAYNE MICHAEL MERCHANT  
Principal

## SCHOOL HEALTH REPORT

To the Superintendent of Schools:

It gives me much pleasure to present this report of the health program as carried out in the towns of Barrington, Epsom, Northwood, Nottingham and Strafford during the school year of 1965-66. I feel this has been a very successful year with complete dental health programs being carried on in the towns of Epsom and Northwood, plans being made by Barrington for such a program in the coming year, and a full-scale tuberculin testing program with follow up x-rays having been completed in all of the schools except Epsom. Here again, arrangements have been made for Epsom to participate in 1966-67.

Each school has had its share of the various contagious diseases and skin eruptions, but these were well controlled and presented no major problem. The parents were most cooperative in this matter, as well as in obtaining professional care and treatment for any reported physical defects. Such cooperation is a necessity in carrying out an effective school health program, and I wish to express my sincere appreciation for it.

The following is a brief summary of the health services provided in each school during this past year:

During this school year, glasses were provided for one child by the Concord Lion's Club, and the New Hampshire Sight Conservation Program provided eye examinations and glasses for four more children.

Preschool clinics for registering children for grade 1 were held during the spring of 1966, and were attended by 24 children at Barrington, 30 at Epsom, 24 at Northwood, 12

at Nottingham and 12 at Strafford. These clinics were conducted as in previous years except in Strafford. There, the children were accompanied to school by one or both parents. Registration was done by the principal and the nurse checked vaccinations and discussed with the parents any health problems which the child might have. Each child and parent was given an opportunity to visit in the first grade classroom.

The Heaf Tuberculin Test was administered in four of the schools with 255 students and faculty members taking advantage of this service in Barrington, 194 in Northwood, 122 in Nottingham and 137 in Strafford. Later an x-ray clinic was held at the Northwood Elementary School. The necessary equipment and technicians to run it were provided by the N.H. Tuberculosis and Health Association. Chest x-rays were taken of 48 people at this clinic.

Dental programs for cleaning teeth and receiving applications of topical fluoride (this solution is known to reduce decay in the teeth) as well as programs to provide fillings and/or extractions were organized in both Epsom and Northwood.

The Epsom programs were jointly sponsored by the New Hampshire Bureau of Dental Health and the Epsom Parent-Teachers Organization, while those in Northwood were sponsored by the New Hampshire Bureau of Dental Health, the Harvey Lake Women's Club and the Northwood Parent-Teachers Association. Contributions were also received from numerous organizations and businesses in Northwood. The dental health committee members in both towns should be commended for the services they performed in setting up these clinics, keeping records, and in providing transportation when needed.

I wish to take this opportunity to thank Mr. Martineau,

Mr. Houghton, members of the School Boards, the teachers,  
the parents and the children for their consistent helpfulness.

Respectfully submitted,

DOROTHY Y. WELLS, R.N.
